Study summary:

A Disciple's Path is an engaging approach to discipleship from a distinctly Wesleyan perspective. Whether used as an introduction for new members or a renewal course for existing members, the program guides individuals to take the next step in discipleship and become dynamic, engaged followers of Jesus Christ.

The study combines a Wesleyan understanding of our growth in God's love and grace with the time-tested practices of spiritual discipline expressed in the membership vows to uphold the church with our prayers, presence, gifts, service, and witness. Participants will develop spiritual practices, discover their unique gifts, and become engaged in ministry that brings transformation in their own lives, the lives of others, and the world.

This Companion Reader provides invaluable insights that enable both participants and leaders to dig deeper into the spiritual practices essential to the life of discipleship. Each chapter corresponds to a week in the Daily Workbook, providing biblical and theological background on the week's theme from a distinctively Wesleyan perspective. Perfect for enhancing personal or group study and reflection, answering questions, and providing material for worship planning during a congregation-wide emphasis.
